

Reading Area Transportation Study

FFY 2027-2050 Long Range Transportation Plan Goals and Objectives Public Meetings

The Reading Area Transportation Study (RATS), the federally designated Metropolitan Planning Organization (MPO) for Berks County, is updating its Long Range Transportation Plan (LRTP). The LRTP helps direct transportation and land use decisions over a 20-year period. As part of the process, we will be conducting public outreach meetings across Berks County to review the goals and objectives identified in the current plan and identify any recommended changes needed for the new plan. The goals and objectives provide the framework for the plan. Your participation will help direct these revisions and provide insight on current and future issues and needs of Berks County's transportation system.

**Registration is required. (Registration link: https://bit.ly/LRTP_Registration)

Five (5) in person meetings and one virtual meeting will be held:
