December 2024

LVPC OPEN HOUSE

On December 10th, Executive Director David Hunter and Assistant Director Ashley Showers attended Lehigh Valley Planning Commission's (LVPC) Open House at their newly designed office space. Executive Director Becky Bradley discussed how the new space will serve as hub for fostering coordination and collaboration across the region. The modern facility has been thoughtfully developed to support the LVPC's mission of comprehensive regional planning and community engagement. The space reflects a commitment to innovation and inclusivity, offering a welcoming environment for partners, stakeholders, and the public to come together, share ideas, and work towards a shared vision for the Lehigh Valley and beyond.

PennState Extension

Become a Master Watershed Steward for Berks and Schuylkill Counties

VIRTUAL LIVE WEBINAR • JANUARY 9, 2025

Discover the Master Watershed Steward Program, empowering communities through conservation, environmental education, and community involvement.

What is the Master Watershed Steward (MWS) Program and what can we do for your community? This information session is all about the Spring 2025 MWS training program and how you can apply to become a Master Watershed Steward, one of Penn State Extension's fastest-growing and impact-making volunteer programs.
