## ENDORSED LAND DEVELOPMENT & SUBDIVISION

### ACTIVITY MONTHLY SUMMARY

The following data sheet has been created from the Land Development & Subdivision Plan Endorsement Activity compiled by the Berks County Planning Commission. The data for this report has been developed from endorsement activity for land development and subdivision plans, which are submitted to the Berks County Planning Commission after municipal approval and prior to the recording of the plan.

This data sheet began to tabulate the endorsed plan activity for a one-month period of time in January 2002. Data is provided in one column for the monthly activity and a cumulative year-to-date column that gives the yearly total for the appropriate row as it relates to the month. Data from the same month of the previous year and the cumulative year-to-date totals are also provided for yearly comparisons.

This data sheet is broken down for the month **July 2024**.

All abbreviations used are explained at the bottom of the data sheet. The types of units that are included in the "other" row are also explained.
