Tulpehocken Township		\$25,000.00	Y
Womelsdorf Borough			

NOTE: All response blocks left blank indicate no information has been provided.

Sewer Annual Electricity budget: The table shows the comparison of the cost of electricity to run the plant between 1997 and 2011. In addition, the table indicates whether or not the municipality participated in the Joint Purchasing Council Electric Purchase Program. The amount of electricity needed depends upon the type of treatment and operating system the plant uses. The increased use of solar panels and other alternative energy sources within the County could benefit the electricity usage of the plants.
