

RECOVERY WORKS

Recovery Works is a comprehensive workforce development program for individuals with an Opioid Use Disorder or for those who have had opioids play a part in their substance use history.

Recovery Works will allow individuals to:

- Develop a plan and find the career that is right for them.
- Have the support and assistance of a case manager.
- Access our computer based learning center to update their resumes, search job listings, participate in online trainings, and MORE.
- Receive ongoing support and employment retention coaching.

For those that do not qualify for Recovery Works, but have a criminal history - Reentry Works can help!

A comprehensive workforce development program for anyone with past or current involvement with the justice system.

Walk-ins welcome!
