Womelsdorf-Robeson Joint Authority (Heidelberg Township, Robeson Borough, Womelsdorf Borough, Millcreek Township Lebanon County)		\$2,100.00

NOTE: All response blocks left blank indicate no information has been provided.

Water Outside Laboratory Analysis: This table looks at the plant budget in both 1997 and 2011 for outside laboratory analysis. Outside laboratory analysis is used to meet required regulations from the various regulatory bodies regarding water treatment as well as provides data files required for annual reporting. Many of the plants use outside laboratory analysis because they do not have the training, certification or required equipment to perform the tests on site.
