

FLASH

The Schuylkill River Greenways Association is an implementation partner of our Greenway, Park and Recreation Plan. We invite you to attend the Ride for the River or one of the remaining Pedal to Paddle events and get outside to Connect, Explore and be Inspired by our recreational resources.

**Saturday,
September 28th**

Ride for the River Turns 10!

Choose a 34-mile, 16-mile, or bring the kids and enjoy the 4-mile family loop at Ride for the River! Each participant will receive one food and one beverage ticket as well as VIP parking at Sly Fox Brewing Co's annual music festival, CAN JAM! It's one of our favorite days of the year and we hope you will join us!

Environmental Health & Safety Roundtable: Hazardous Waste Determination in 2024

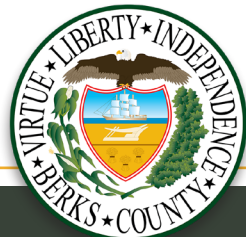

**Thursday, Aug. 29 | Noon - 1:30 p.m.
Center for Business Excellence
49 Commerce Dr., Wyomissing, PA 19610**

Learn how to determine hazardous waste from Elk's Corporate Safety Officer Jamie Caron and Technical Manager Dave Skrocki. This dynamic duo will provide a look at the foundation of hazardous waste determination from a generator's standpoint, including record keeping requirements.

Who should attend?

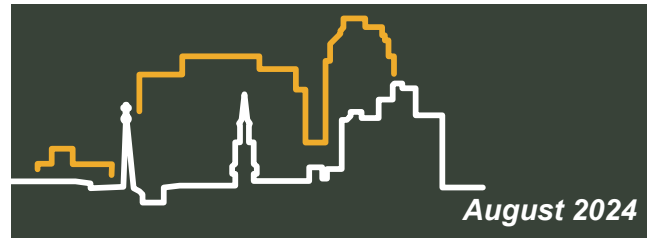

In addition to those responsible for EHS compliance within your organization, those responsible for regulatory affairs and planning are also encouraged to attend this roundtable session. So join a group of your peers to discuss, learn, and collaborate on environmental, health and safety policies and protocols to increase Greater Berks County business' efficiency and competitive edge.

The Mechanics of Your Municipal Budget

August 19 and 21 / Virtual
9 AM - Noon both days \$80

This virtual training course is designed to help municipal officials define key concepts of managing the budgetary process, including developing a detailed budgetary calendar, DCED Chart of Accounts use, selecting appropriate budgetary strategies, and complying with all legal statutes along with way to adoption (and, as necessary, amendment). Real world examples are used throughout the course.

Municipal Bookkeeping & Accounting Basics

August 26 and 28 | Virtual
9 AM - Noon both days \$80

The Municipal Accounting and Bookkeeping Basics Course is designed to equip you with the essential skills needed to manage and oversee public funds with precision and integrity. In this course, you will dive into the foundational principles of accounting and bookkeeping, tailored specifically for municipal operations, and explore the unique aspects of accounting within the local government context.

TOPICS:

- Role(s) of the Municipal Treasurer
- Fund accounting and reporting
- DCED Chart of Accounts
- Double-entry bookkeeping
- Accounting cycles
- Budget preparation and management
- Financial reporting and compliance
- Annual audit report
